### Helping Others at Tax Time

In a quiet way, several Senior Elfun are helping people with their tax forms as the IRS deadline of April 15<sup>th</sup> approaches each year. At the Roosevelt Alternative School in Norristown, Senior Elfun Dave Blake did 12 student tax forms this year and two adult tax forms. One graduate from last year even came back to see Dave for tax advice. "We appreciate Dave's ongoing efforts on behalf of our Cooperative Education Students here at Roosevelt" says Ann Kulp, Cooperative Education Coordinator at Roosevelt School.
